COMMENTS

What an excellent start to the KCA season. First we saw a very rare full field for the 3-up and have followed that up with another good entry in this our first Open 25 of the season. Our early season success is due, in part, to our racing ladies. They fielded an unprecedented eight teams in the 3-up and over 10% of today's entries came from the fairer sex. What's more all of our ladies started and finished in this event. Let us hope that this trend continues for the remainder of the season.

I'm sorry that I couldn't make it to the start. I had a full hip replacement operation on 01 March and unfortunately car travel was prohibited until my Consultant gave me the OK. But my recovery is now going well and I hope to be out and about again in early June. So my sincere thanks go to all of the marshals and helpers that turned out to assist in the running of this promotion.
