

With 105 entries, this is the largest field the Team Time Trial has seen for 26 years and this certainly bodes well for the oncoming season. And despite the strong wind and the early morning rain only 3 riders failed to sign on. A truly remarkable turnout!!

After signing on Paul Mephram felt unwell and went home. So his team of Kevin Hildebrand and David Edwards rode as a 2-up in 01.25.33.
