I was very pleased to have a full field for this event, the first the KCA has had for many years. After overcoming the emergency move to the Marsh due to Operation Stack it would have been nice to have had a dry & accident-free day but no such luck. However I am pleased to say that Elizabeth Scott (SFACC) received only abrasions from her crash, but Martin Apps (GS Invicta) has a broken collar-bone after his post-race run-in with a female motorist, but is doing well. We hear that Elizabeth is already looking at the SFACC 2 Up. Our sincere thanks go to the Kent Cycles Team of Derek Howlett, Dave Edwards & Carl Bradford who sportingly gave up their ride to stop & take charge of the SFA Ladies, rendering first aid & controlling traffic, along with Steve Castle GS Invicta, & to the SFACC marshals at Brenzett RAB who firmly extracted her details from Martin's assailant despite her obvious reluctance.

Meanwhile, congratulations to the all the medal winners who did some fine rides considering the cold wet conditions, & well done to all the complete novice riders who chose a Team Time Trial to start their racing careers. Pat had extracted 3 sets of ladies' medals from the KCA & it was good to see 8 teams entered, & hear the relieved laughter of those who rode as they enjoyed a cuppa at the result board after, even if they were soaked to the skin.

My thanks to all who helped with the event. On the day Pat signed you in, you were started by timekeeper SEDC Gen Sec Tony Peachey (San Fairy Ann CC) with Ken Atkinson (West Kent RC) there as official observer. You were pushed off by Maurice Wilkins, Ray Whibley (both SFACC) & John Booty (Wigmore CC). You were met by Dick Bradley, Bernard Austin & Roger Brimsted (all SFACC) at Brenzett RAB with another Fairy, Bill Brown, stationed between the exits from the garage & the Little Chef which some of you know is a worrying spot on this course.

From there you went to Brookland RAB where Pamela & Bob Goode (yet more SFACC) turned you back to Brenzett RAB. From there it was on to the new Bridgefield RAB on the A2070 & a lonely Alec Mayes (Ashford Wheelers) who saw you through & on to Cloverleaf RAB where Gordon Sherwood (Rye & DW) the KCA Treasurer, & Derek Duchemin (Ashford Whs & VTTA Kent Group General Secretary), turned you back down the bypass & on to the finish where you were timed in by Peter Baker assisted by recorder Val Peachey & your times were relayed by phone to Pat back at HQ by Philip Thorpe (yet more SFACC). Philip was our 'named official at the finish' & for

those older riders who may recall the 1950s, is the son of the well-known London cycling event photographer Len Thorpe. Back at the HQ you were well fed & watered by Rita Wilkins (another Fairy) aided by husband Maurice, plus Beryl & Nobby Holdstock & Eunice Booty (all Wigmore CC). Pat wrote up the nice new KCA Result board, made for us by Peter Baker. My thanks to all who made this event work so well despite the traumas, to all who rode despite the extra travelling involved & to all the riders who stayed behind to cheer the award winners & create such a good atmosphere on a rotten morning. See you next year & let's hope for better weather.

Event Secretary E.A. Hill, (SFACC) Oak Acre, Bell Lane, Biddenden, Kent TN27 8LD 01580 291737
