I must say I thought it was a great event in every way, with a bright sunny morning, plus a fantastic spread at the tea-bar thanks to Anne Burden & her daughter Karen, helped by washer-uppers Bill Edwards & Rita Wilkins, last 2 both Fairies. It was very satisfying to have a full field again with a special 'after-race' atmosphere in the HQ. My congratulations to all Prizewinners & it was good to see 6 Ladies Teams riding.

You were met at the HQ by Pat Hill & Andy Durling, yet more Fairies, who made sure you signed on correctly. At the start you were held up by 3 SFA, President Ray Whibley, Assistant TT Secretary Bill Brown & Club Timekeeper Maurice Wilkins. Vic Williams Medway VC, who is half a Fairy (2nd Claim), sent you off to meet the SFA Likely Lads, Dick Bradley, Bernard Austin & Mike Cavender at Charing RAB. They sent you on to Orchard Heights RAB at Ashford, where SFA Treasurer Pamela Goode, aided by husband Bob, turned you after first sweeping the gravel off the road with a broom they had taken with them specially. At the Leeds RAB you were turned by yet more SFA Roger Brimsted & Philip Thorpe, & so on to the finish where you were timed in by Peter Stone, West Kent RC, who was 'relaxing' after finally retiring from the CTT National Committee after many years of tremendous service to the sport of cycling & time trialling in particular. He had our Jenny Burton as Recorder & I was pleased to have the record 6 times winner of the KCA Senior BAR, Fairy Mark Vowells, who has announced his imminent retirement from racing after many years, phoning your times in to Pat & Andy who were now in charge of the Result Board, with Pat on the phone & Andy doing all the writing. Pat also wrote up the board before the event & did all the typing. Many riders & spectators stayed behind to cheer the Prizewinners as they were introduced by KCA President Pat & then sat around to just enjoy the sun & the atmosphere of what has become a great opener to the KCA season. Special thanks to yet another Fairy Tim Feneron who has done all my copying despite being very busy with work & then suffering a nasty accident in Helsinki when he ruptured an Achilles tendon on one leg & fractured the heel on the other foot. Tim does nothing by halves!! Get well soon Tim.

Finally, I thank all who supported me by both riding or working & I was fortunate in even having 2 stand-by marshals in SFACC General Secretary Ron Lee & Alan Brown West Kent RC. Alan turned up anyway to offer his services anywhere he could watch all the action. I hope to see you all next year.
